**REPORT
FOR THE YEAR 1938.**

The Committee has pleasure in presenting its Annual Report and Statement of Accounts for the year ended December 31st, 1938.

RESIGNATION OF MR. J. L. STRETTON.

At the Annual Meeting of the Governors of the Hospital held on 15th March, 1938, Mr. J. L. Stretton's resignation as the President of the Hospital, a position which he had held since 1924, was accepted with very great regret.

Many tributes were paid to his work as President for 14 years, and also as a member of the Hon. Medical Staff for more than 55 years.

Mr. W. Johnson was elected to succeed Mr. Stretton as the first President nominated from the Saturday Fund Committee.

APPOINTMENT OF HOUSE GOVERNOR.

It was the opinion of the Committee that in view of the impending resignation of Mr. J. L. Stretton, that a House Governor should be appointed.

Mr. F. W. Barnett was appointed House Governor and Secretary, and after doing good work, it is to be regretted that he is leaving the Hospital at the end of March to take up the appointment of General Superintendent at the Oldham Royal Infirmary.

RESIGNATION OF MR. CYRIL CHAMBERS.

Intimation was received from Mr. Cyril Chambers early in the year of his desire to relinquish his duties as Financial Secretary to the Hospital.

The Committee wish to place on record their appreciation of the services rendered to the Hospital by Mr. Chambers and his family for so many years.

As a token of their appreciation, a presentation was made to him on his retirement from this position.

DONATIONS.

Donations received during the year total £1,967 0s. 3d., as compared with £676 0s. 11d. in the previous year.

The total amount received from contributors was £10,100 16s. 7d., as compared with £10,258 11s. 9d., the analysis and comparison of these totals being as follows :

		1938		1937			
		£	s.	d.	£	s.	d.

Unfortunately during the year a period of bad trade was experienced, this was shown in the contributions received from the various firms, in the case of four of the large firms the amounts received showed a total decrease of £533.

SERVICES TO PATIENTS.

This item showed a decrease on the previous year, the total amount received from all sources being £4,370 15s. 2d., as compared with £4,976 15s. 4d.; a decrease of £603 0s. 2d. This is explained by the decrease in payments received from Sunnyside Patients. In 1937 the receipts from this source were £1,590 5s. 4d., as compared with £976 11s. 9d. in 1938, being a decrease of £613 13s. 7d.

COMPARISON OF EXPENDITURE.

The total expenditure for the year was £20,016 9s. 8d., as compared with £18,314 12s. 1d., being an increase of £1,701 17s. 7d.

PROVISIONS.

The expenditure on Provisions during the year was £4,044 10s. 1d., as compared with £3,930 16s. 10d., in the previous year. This increase is explained by the increase in the number of in-patients treated, and also by the increased cost of commodities during the year.

SURGERY AND DISPENSARY.

The expenditure on Surgery and Dispensary increased by £343 10s. 5d. The increase in the number of in and out-patients necessitating the use of extra Dressings, Bandages, etc., is responsible for the increase, together with the fact that several new appliances were purchased during the year.

DOMESTIC.

The expenditure under this heading was £3,307 13s. 8d., as compared with £3,239 10s. 4d.

Some explanation of the cost of Laundry shown under this heading in the Statement of Income and Expenditure may be of interest. It will be noted that the expenditure on this department was £1,071 16s. 2d., this amount being made up as follows:

Materials £255 13s. 5d.; Coal and Slack £227 13s. 4d.; Uniforms £32; Wages of laundry staff £481 9s. 5d.; Repairs £75.

SALARIES AND WAGES (Maintenance).

Salaries and Wages amounted to £6,799 17s. 2d., as compared with £6,019 10s. 3d., in 1937, an increase of £780 6s. 11d.

Reference to the Statement of Income and Expenditure will show Nursing Salaries £3,602 18s. 3d., as compared with £3,086 13s. 10d., in the previous year.

This increase is mainly due to the difficulty experienced, not only by this Hospital but by all similar Institutions in obtaining Probationers and Staff Nurses. At this Hospital it has been necessary for the Committee to employ a number of Private Nurses, the additional salary required by these nurses accounts for the increased expenditure under this heading.

MISCELLANEOUS.

The expenditure under this heading was £526 6s. 10d., as compared with £442 3s. 4d. This increase being caused through the necessity for additional printing, stationery, etc.

ADMINISTRATION.

The expenditure during the year 1938 was £895 8s. 8d., as compared with £534 8s. 9d., in the previous year. The increase being accounted for by the additional salary of the House Governor, the purchasing of Office equipment and the increase in postages, telephones and printing.

RETIREMENT OF MR. J. L. STRETTON.

The committee received an intimation from Mr. J. L. Stretton of his intention to relinquish his active surgical work at the Hospital on the 31st December, 1938, after fifty-six years of service.

It was with very great regret that Mr. Stretton's resignation was accepted. The Committee wishes to record its appreciation of his long and valued services, and expresses the hope that he will be very happy in his retirement.

RETIREMENT OF DR. U. W. N. MILES.

On the 26th October, a letter was received from Dr. U. W. N. Miles, in which he stated that it would be in the best interests of the Hospital for the Committee to appoint a younger man as Hon. Anaesthetist in his place.

The Committee accepted Dr. Miles resignation with great regret. On the recommendation of the Medical Staff it was decided that three Hon. Anaesthetists should be appointed, Dr. H. N. Miles to fill one of these posts.

Mr. J. L. Stretton agreed to accept the appointment of Hon. Consulting Surgeon and Dr. U. W. N. Miles agreed to accept the appointment of Hon. Consulting Anaesthetist.

RETIREMENT OF MISS SUSAN SMITH.

On the 31st December, 1938, Miss Smith retired from the staff of the Hospital. Many tributes were paid to her work as Secretary. The Committee hopes that her retirement will be a long and happy one.

EMPLOYERS.

An appeal is being made to all employers in the area to support the work of the Institution by contributing an amount equivalent to 25% of their employees' contributions. This appeal is receiving favourable consideration, and if adopted by all employers, will undoubtedly solve the financial difficulties of the Hospital.

INCREASES IN EXPENDITURE.

It will be noted that the expenditure for the year 1938 showed a considerable increase over previous years. Similar increases are being experienced by all progressive hospitals, as it is essential that methods of treatment, instruments and appliances necessary for such treatment should be kept up to date in order that the services of this Hospital should at least be equal to those of similar institutions.

The Committee wishes to tender its thanks to all who have assisted the Hospital by gifts of money or in kind and in particular the following :

The Ladies of the Linen Guild.

Mr. J. Wright, his colleagues on the Saturday Fund Committee, and also the collectors, both official and voluntary.

Mr. R. T. Mountford and the members of his Carnival Committee.

The Organisers of the Alexandra Rose Day.

The Organisers of the Pound Day.

Mr. E. G. Eddy for his Thanksgiving Appeal.

Mr. T. Griffin for his donation towards the reduction of the deficit.

The Executors of the late Miss Constance Lavinia Harcombe for the legacy of £200.

The Committee also wish to thank the Honorary and Resident Medical Staff, the Matron and Staff of the Hospital for the constant and devoted work on which the efficiency of the Hospital mainly depends, the Honorary Chaplain, the Treasurer, the Solicitors, the Architect, the Auditors and the Press.

BLOOD DONORS.

The Committee wish to thank all who have given their services as Blood Donors.

Many more donors are required, and the Committee appeal for volunteers from healthy males of between 20 and 40 years of age.

In conclusion, the Committee appeals to all those who are not at present supporting the work of the Hospital to do so, for only with their support can the services of the Hospital be extended.
